

SHOW OFF YOUR SUPPORT

The Cultural Advocacy Coalition is the only statewide advocacy organization lobbying Salem on behalf of the arts, culture, heritage and the humanities.

Let your community know that we stand together.

Our work and our ability to support organizations and individuals in Oregon are made possible by you, our members and partners. We encourage you to share your membership, support of, and support from the Coalition on your website.

REPRESENT THE COALITION

We have two primary logos. One features our icon, and the other is a simple logotype. Both presented horizontally using our classic orange and navy brand colors. Member organizations may use either of these logos variations on their websites.
